

# Congratulations!

Your **CASH BACK REWARDS** are here.

Your KEMBA Rewards Credit Card earned you **1% in cash back rewards!**

Your cash back rewards payout was deposited into your Rewards Savings account **February 10, 2023!**

## Here is how your Rewards Savings account works:

Your money earns **1.00%<sup>APY</sup> or 5.00%<sup>APY</sup>!**\* This account is exclusively for your credit card cash back rewards. Feel free to withdraw money at any time. Note: you are not able to make deposits into this account.

You can view your Rewards Savings account balance at kemba.org through Digital Banking, Mobile App, or on your KEMBA account statement.

Your credit card cash back rewards will be paid into this account each year in February.

## KEEP EARNING REWARDS!

You receive 1 point for every \$1 you spend with your KEMBA rewards credit card. Your rewards payout will be 1.00% of the total points earned each year. For example, if you earned 3,000 points, your payout will be \$30. The more you use the card, the more rewards you earn!

If you have any questions about your rewards deposit, please feel free to contact us at 614.235.2395 or 800.282.6420, option 3, or stop by any KEMBA branch.

\*APY=Annual Percentage Yield. 1% Cash back rewards paid once per year. You will receive 1 point for every \$1 you spend with your credit card. Cash back points will be awarded for balance transfers made within the first ninety (90) days your Platinum Rewards account is open. KEMBA reserves the right to exclude repeated balance transfers from cash back offer. 100 Points=\$1 cash back. Account must be open and in good standing at time of payout. Minimum to receive reward is 2,500 points. Rewards Savings account rate of 5.00% APY for KEMBA Advantage members and 1.00% APY for non-Advantage members current as of February 1, 2023, and subject to change at any time.
